

HELP DEVELOP AFRICA'S FUTURE SOFTWARE START-UPS

TEACHING FELLOW - BUSINESS & ENTREPRENEURSHIP

Meltwater Entrepreneurial School of Technology (MEST) is recruiting recent graduates with a passion for teaching and a strong background in business and/or entrepreneurship for a one-year assignment teaching talented university graduates in Accra, Ghana.

On a daily basis, Teaching Fellows support MEST Trainees in developing their entrepreneurial and global business skills. They work in dynamic teams with other Fellows from around the world, which are led by Faculty that have significant software and business experience.

YOUR QUALIFICATIONS SHOULD INCLUDE:

- Bachelor's degree in business and/or entrepreneurship
- Creativity/brainstorming techniques and business idea generation and validation
- Basic understanding of finance, accounting, marketing and strategy
- Business plan writing and evaluation skills
- Passion for teaching
- Ability to work in team, and to deal with ambiguity
- Good verbal and written communication in English; good presentation skills

WHAT YOU GAIN:

- Invaluable work & life experience in an entrepreneurial organization working to make a difference
- Teaching experience; International work experience
- A contribution to make a significant impact- transfer knowledge and skills to talented Africans who will set up software companies
- Develop relationships with Africa's future leaders

COMPENSATION:

- Monthly stipend
- Travel, Housing, Meals and Emergency Health Insurance provided by MEST

MEST is a not-for-profit project fully funded by Meltwater Group, a Norwegian software company headquartered in San Francisco, USA. We believe that with the proper training and support Africans can successfully set up new software companies generating jobs and wealth locally.

This is a unique opportunity for you to be part of a team that will develop Africa's future technology generation!
A new team is hired every year.

To apply, please submit an online application at www.meltwater.org/en/vacancies.

APPLICATION DEADLINE: April 11th / START DATE IN GHANA: August 2nd
